

MEET THE NURSERY MANAGER

My name is Anamaria. I have been working in childcare for 7 years. I hold an NVQ Level 3 in Childcare Qualification, Qualified Teacher Status and a bachelor's degree in Psychology. I have always enjoyed working with children and their families and I am happy and excited to be joining BrightStar Day Nursery team. I am looking forward to meeting all of you!

Dear parents,

As the weather is hot these days please ensure you bring a **sun hat, sun cream and 2-3 sets of spare clothes** for your child. Due to COVID-19 we no longer provide nursery spare clothes for children.

COVID-19

Due to unprecedented times we have had to implement some changes in the way we operate.

Please be advised that notice of return to nursery is to be provided before the **22nd June 2020**.

We must ensure we adhere to the DfE guidelines to keep our staff, children, and their families safe.

Should you have any enquiries please do not hesitate to contact Anamaria:
