

NEW NURSERY MENUS

Attached to this newsletter you will be able to see our new menus. We will continue using a 4 weeks menu which is rolling every month.

We refreshed the menus, so please check them thoroughly and let us know if there is anything we need to be aware of in regards to your child's dietary requirements or allergies (if you have not communicated this information already). Our nursery continues to be a 'NUT FREE' setting.

OPEN DAY

We are happy to announce we are planning an Open Day on the **15th August 2020, from 9am to 12pm.**

Please feel free to let your friends or relatives know they can pop by any time during these hours should they wish to see our nursery.

Children returning to nursery

COVID-19 updates

As of the 20th of July 2020, early years settings are no longer required to put a cap on the number of children returning to nursery following the pandemic. Also, just to confirm we are no longer required to operate in bubbles within the room, even though we will continue to minimize contact between rooms when and if possible.

We are happy to be able to welcome all our children and families back to nursery in September. If you have not informed us already, please ensure you get back to us by the end of July should you wish your child to return to nursery in September.
