A message from the management

Dear Parents and Carers,

We would like to inform you that only emails sent to candice.manager@brightstartdaynursery.co.uk will go directly to the nursery. This email address can be used for any updates regarding your child, such as late arrivals, early or late pick-ups, or if someone else is collecting your child.

You can also use this email address to inform us of any sickness updates or if you have any concerns about our practices or safeguarding measures.

However, we have noticed that some parents send their emails to different addresses within the company instead of the actual manager's email. This can cause a delay in our response to your matter.

Therefore, we kindly request that you only use candice.manager@brightstartdaynursery.co.uk for matters related to your child and the nursery.

Please note that for invoicing matters, reply to the same email you received the invoice from.
