

NEWSLETTER SEPTEMBER 2020

PRE-SCHOOL UNIFORMS

Children from Pre-School room are required to wear a uniform whilst at nursery. The top and t-shirt can be bought from the nursery (£10.50 for the purple top and £7.50 for the t-shirt).

We placed an order for tops and t-shirt, but it has been delayed due to COVID-19. Once they are delivered, we will let you know so you can buy one for your child.

TRAINING DAY: 2/11/2020

Just a kind reminder that our nursery will be closed on Monday, the 2nd of November, for our staff training day.

To the new parents, please accept this newsletter as 8 weeks' notice for our training day.

COVID-19 updates

An updated guidance for schools has been published on the 28th August by the DfE. Please access link below for further information:

<https://www.gov.uk/government/collections/guidance-for-schools-coronavirus-covid-19>

Together with our newsletter please find attached our **risk assessment for COVID-19**. This risk assessment has been in place from the 1st June 2020, since we reopened after the lockdown.

As we are operating in age groups (each room/age group represent a bubble), if a new COVID-19 case is confirmed, exclusion will only apply to that specific age group which will be considered close contact. **Please be advised that in case of a future exclusion nursery fees will be payable as the nursery will continue to operate.**
